All purpose organizers

Stretch Net

Stretch Net Pockets are ideal for many organizational needs. Use Stretch Net Pockets to store items in your home, garage, RV, boat, or cargo trailer. Made with versatile stretch netting and heavy duty canvas. Stainless steel cap and sockets for semi-permanent attaching, ensuring zero corrosion.

Gear Net

Gear Nets make organizing a breeze. Mount the Gear Net on any open wall space for immediate heavy duty storage. Use Gear Nets in your garage, RV, boat, or cargo trailer to organize items.

Clip Nets

Clip nets achieve the finished automotive look by using proprietary crimping tools. Brass clips, crimped on the ends of our nets, are installed into molded plastic or fiberglass components. This creates a clean, premium upscale look. We work with a variety of custom molders to meet the needs of our customers. Clipped nets are available in stretch and diamond netting.

Sure Seal®

SURE-SEAL® expands to seal between surfaces. Stops air, vapor, moisture, dust, sound and vibration. SURE-SEAL® provides you with a dry saturant and strong adhesive backing for installation. Seal Surfaces remain dry, dirt-free, and touchable. At 50% compression SURE-SEAL® provides a 100% seal against air and water.

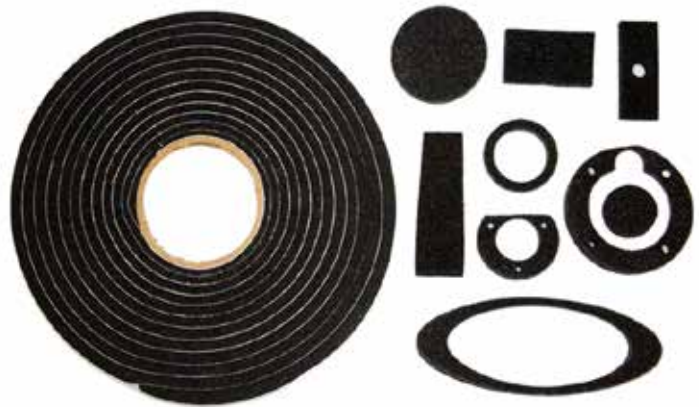

A 10 Year Warranty and complete penetration of saturants prove you can't specify or buy a more advanced foam sealant tape. SURE-SEAL® possesses the sealing characteristics of closed cell foams, but not the compression set and compression restrictions of closed cell foams. SURE-SEAL® possesses the compression/recovery characteristics of a sponge, but will not absorb water more than 5% and will last more than twenty years.

SURE-SEAL® expands to seal between surfaces. Stops air, vapor, moisture, dust, sound and vibration. SURE-SEAL® provides you with a dry saturant and strong adhesive backing for installation.
